

2018 ADELAIDE PHN ROADSHOW

phn
ADELAIDE

An Australian Government Initiative

You are
invited to:

CONTINUE THE CONVERSATION

Stakeholders and members of the community are invited to an Adelaide PHN update, with a showcase of the initiatives and services put in place over the past two years.

- Hear a snap-shot of Adelaide's current primary health needs and what we have achieved
- Gain an understanding of how you can contribute

For the past two years Adelaide PHN has been working with you to improve the primary health system which cares for 1.2 million people across the metropolitan region.

Presentations will include information on:

- Person-centred integrated care
- Collaboration
- System improvement
- Specific services that respond to community need
- How we commission and build capacity

Lunch/dinner will be provided.

connecting you to health

This activity is supported by funding from the Australian Government under the PHN.
