I, \_\_\_\_\_ (patient name-please print clearly) understand that this MHTP is being used as a referral for the provision of mental health services. This process involves an assessment and the development of a plan for treatment. I agree to be part of the process with the knowledge that:

- My medical history will be shared with the GP and Clinician of the service chosen/and personnel of the chosen service where relevant;
- The information collected is private and will be kept confidential unless agreed upon by all parties to be shared;
- My GP has explained to me the reasons for seeking counselling/therapeutic input;
- No Medico Legal Reports will be provided;
- I understand that my treatment will be monitored and communicated between my treatment team.
- All personal information gathered will remain confidential and secure with my treating team and within the clinical management system hosted by the funding body APHN

Therefore, in complying with the principles governing provision of this service we seek your consent.
