

Date & Time

6.30 - 9.30pm
Monday 20th August 2018

Venue

Arya Indian Restaurant
North Adelaide Village
30/81 O'Connell St
North Adelaide SA 5006

Light dinner provided
No cost to attend

In this education session, presenter Dr Jon Shenfine will provide attendees with information on bariatric surgery and patient eligibility criteria for the procedure. Dr Shenfine will also discuss post-operative care and management plans, including nutritional requirements for bariatric surgery patients.

Learning outcomes

- Identify appropriate patients in your practice and outline the eligibility criteria for bariatric surgery.
- Describe what bariatric surgery is to the eligible patients and explain the possible health outcomes.
- Discuss post-operative care and management of bariatric patients.
- Summarise the nutritional requirements, pre and post bariatric surgery to improve patient outcomes.
