

“Too Hot To Touch” Management of Burns

**Thursday, 16
August 2018**

**6.00-9.00pm
Adelaide Inn
160 O'Connell St,
North Adelaide**

No cost to attend
Dinner provided

Learning Outcomes

- Recognise the signs and symptoms of inhalation injury and discuss the importance of the early recognition of airway compromise
- Implement the Wallace Rules of Nines or Lund and Brouder Chart when performing burn injury assessment and so creating safeguards against harm to patients
- Identify the transfer criteria for burn patients
- Perform an assessment and appropriately manage minor burns
- Outline appropriate methods of first aid, including the management of chemical and electrical injuries

Approved for 5 Category 2 points with RACGP, activity # 136734. ACRRM points pending. Certificate of attendance provided.
