

# Diagnosing and Managing Skin Lesions & Rashes in Children

FOR GPs & NURSES

## DATE & TIME

6.30-9.30pm  
Wednesday 28<sup>th</sup> March 2018

## VENUE

Sfera's Park Suites &  
Convention Centre  
191 Reservoir Road  
Modbury SA 5091

Light dinner provided  
No cost to attend

This education session will update attendees on various skin check examinations and utilising dermoscopy for malignant and benign skin lesions. The session will also cover the diagnosis and management of red rashes in children.

## LEARNING OUTCOMES

- Perform a comprehensive skin check examination.
- Demonstrate understanding and skills required to diagnose and manage a variety of skin lesions utilising dermoscopy both malignant and benign.
- Discuss how to systematically approach diagnosis of red rashes in children.
- Identify common, as well as rare but important, red rashes in children.
