

Hepatitis B: Testing & Treatment Update

FOR GPs, NURSES & ALLIED HEALTH PROFESSIONALS

DATE & TIME

6.30-9.30pm
Tuesday 21st November 2017

VENUE

Gepps Cross Hotel
560 Main North Rd
Blair Athol SA 5084

Light dinner provided
No cost to attend

This education session will provide an update on testing and interpreting results for Hepatitis B. The session will also cover DAA therapy for Hepatitis B treatment, post-treatment care and referral pathways for complex patients.

LEARNING OUTCOMES

- Determine who to test and how to accurately interpret test results.
- Identify the importance of early diagnosis, follow-up and appropriate management (including vaccination) for at risk or chronic Hepatitis B patients.
- Describe intervention points throughout the natural history of HBV.
- Identify the different treatment options and the need for lifelong monitoring for people living with chronic Hepatitis B.

AGENDA

6.30pm - 7.00pm	Registration & light dinner
7.00pm - 9.15pm	Presentations
9.15pm - 9.30pm	Q&A, evaluation and close
