

# Managing Ophthalmic Conditions

FOR GPs, NURSES & ALLIED HEALTH PROFESSIONALS

## DATE & TIME

6.30-9.30pm  
Wednesday 15<sup>th</sup> November 2017

## VENUE

Education Development Centre  
4 Milner St  
Hindmarsh SA 5007

Light dinner provided  
No cost to attend

This education session will provide an update on managing common ophthalmic and sight threatening conditions. The presenters will also provide information on common ophthalmic associations with chronic disease and referral pathways for complex patients.

## LEARNING OUTCOMES

- Identify common ophthalmic conditions, explain diagnosis and steps for management.
- Determine sight threatening ophthalmic conditions which may require urgent referral.
- Discuss common ophthalmic conditions associated with chronic disease and understand appropriate referral pathways.
