Have questions? Please contact **Karen Glaetzer** on karen.glaetzer@eldercare.net.au

Join us for an informative and engaging online workshop on palliative care for general practitioners (GPs).

Content to include:

- Establishing Goals of Care
- Completing 7-step pathways
- Communication with families
- Prescribing at End of Life

Facilitated by:

Dr Chris Drummond, Palliative Medicine Consultant from Central Adelaide Palliative Care Service.

Eldercare acknowledges this project was made possible through funding from the South Australian and Commonwealth Governments under the Comprehensive Palliative Care in Aged Care Project.
