

Practice Owners Network

FOR GPs & GENERAL PRACTICE OWNERS

Members of the Northern Health Network's Practice Owners Network have the opportunity to attend quarterly network meetings and be influenced by a range of speakers from the sector.

This Practice Owners Network meeting will focus on the Medical Benefits Schedule. It would be fair to assume that many doctors don't study the MBS all that frequently - all 1,239 pages of it! There are important aspects in the MBS that pertain to all practising doctors. Ensuring the right item number is matched to the associated descriptor is an essential practice for good billing. Ms Megan Prideaux, Dr Dick Wilson and Mr Tim Hall will talk through some of the Medicare Benefits Schedule issues that GPs are regularly confronted with.
