The Southern Nurse Network has been developed in conjunction with Sonder, Flinders University and the Australian Primary Health Care Nurses Association (APNA).

This forum provides an avenue for Primary Health Care Nurses working in the southern and central areas of Adelaide to share ideas, network and expand their knowledge regarding education specific to their needs.

Topic: Updates in Respiratory Medications and Clinical Guidelines

Presenter Dr Kerry Hancock will provide an update on available respiratory medications, the use of devices and current guidelines. Attendees will have the opportunity to have their questions answered in a Q&A style session.

Topic: Benefits of the Integrated Team Care Program (Closing the Gap) for General Practice

Indigenous Health Project Officer for Sonder's Closing the Gap program, Schania Czygan will outline the benefits the Closing the Gap program can provide to your patients and general practice.
