

Spirometry Training Course

INVITATION FOR GPs

DATE

Saturday 17th March 2018
8.30am - 1.30pm

VENUE

AMPHeAT
313 Payneham Road
Royston Park SA 5070

**VENUE KINDLY PROVIDED FREE
OF CHARGE BY AMPHEAT**

The Spirometry Training Course provides comprehensive training in the application, measurement and interpretation of expiratory spirometry in general practice. The interactive workshop includes hands-on components to allow participants to apply their new knowledge in a practical setting.

LEARNING OUTCOMES

- Increase knowledge and awareness of the role of spirometry in primary care.
- Develop practical skills to recognise and perform high quality spirometry.
- Understand interpretation and clinical implications of spirometry results, including differential diagnosis.
- Increase knowledge and awareness of the importance of spirometer quality assurance and its implementation.
- Learn strategies to incorporate spirometry testing systematically into routine clinical practice.
- Increase confidence in performing, understanding and implementing spirometry.

AGENDA

08.30am - 09.00am Registration & morning tea
09.00am - 11.00am Presentation by Richard Parsons
11.00am - 11.15pm Break
11.15am - 01.15pm Presentation by Richard Parsons
