

Drug Treatment and Support Service

This program is
commissioned by
Adelaide Primary
Health Network

This is a specialised service for people from Culturally and Linguistically Diverse (CALD) Backgrounds.

CAaSSA staff are well trained and experienced in working with individuals with alcohol and other drugs issues.

We have staff members from diverse backgrounds; We respect your culture and we have staff members who speak your language. We are currently covering the following languages: Kirundi, Dinka, Swahili, Vietnamese, French, Nepali, Dari, Fasi and more.

Our services are:

- > Free services
- > Voluntary use of service
- > Confidential
- > Respectful of individuals' rights
- > Non-judgmental attitude
- > Language and cultural appropriate

Who can access this service?

- > Adult (over 18 years old) and their families from CALD backgrounds
- > Individuals are experiencing harms associated with Alcohol and other Drugs (AOD) uses (e.g., social, health/mental health, family, legal, employment, finance, homelessness and addiction itself).
- > Adelaide metropolitan areas

How we can help?

- > **Assessment:** We conduct a holistic assessment including AOD, health/ mental health and other social issues to assist you identifying your service needs and goals. After the assessment, we will work with you to develop your care plan to achieve your goals.
- > **Brief interventions:** We also provide information, education and referrals to address your immediate needs.
- > **One-on-one support service:** Once the care plan/goals are developed, an allocated case manager works with you to provide one-on-one support to assist you to achieve your goal.
- > **Individual counselling:** A counsellor who will work alongside to assist you to manage your AOD uses or relapse prevention.
- > **Smart Recovery support groups:** this is a group program offering a safe and supportive environment for you to make positive changes and achieve your goals around AOD uses. There will be a peer worker and a senior AOD program staff who are cofacilitating this group.
- > **Peer support:** Peer workers have lived-experience, mutual understanding and support you while you are receiving support from our service.
- > **Family or significant others:** CAaSSA provide information, education and support to family members who have concerns about other AOD and related uses.
