Closing the Gap Integrated Team Care
Referral Form

The ITC Program is a short-term program to: Support Aboriginal and Torres Strait Island people with complex chronic care needs to improve self-management of their condition; support access to clinically necessary medical equipment and/or services that would otherwise be inaccessible in a clinically appropriate timeframe; and/or to provide care coordination.

PLEASE NOTE: Referrals will be prioritised according to the level of Care Coordination needed.

Integrated Team Care Program

Patient Details

Consent to use of personal information

For referral to Integrated Team Care Program, clients should be aware of the following:-

Sonder Care will be required to store the information supplied on this form in a way that protects your privacy and will not be permitted to disclose information about you to anyone else.

Some data which will not identify you will be given to the Commonwealth Department of Health so that the program can be monitored and evaluated.

By signing this information and consent to disclosure section, you are saying that you understand the above procedure and that you are giving your consent for Sonder Care to store client information relating to the assistances you will be receiving.

You are also giving permission to be contacted by Aboriginal and Torres Strait Islander Outreach Worker from Sonder Care, in order to discuss how they can assist you to better access primary healthcare and other services.
