3. You will see the main confluence page, click on **MEMBERS' AREA**.

4. This will take you to the Membership navigation page:

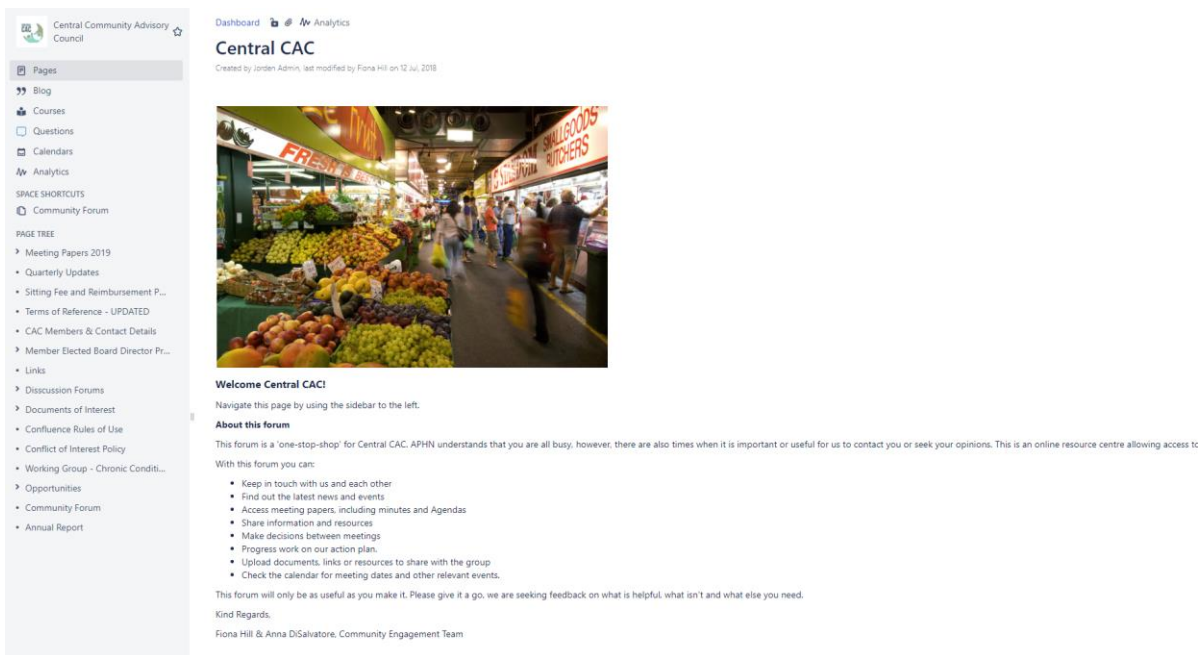

5. On your first login, it's a good idea to change your password to something you will remember. Click on **'Change My password'** at the bottom of the membership navigation page.

You will be sent a password reset link. Email helpdesk@adelaidephn.com.au if you have any issues with this process.

6. Access your groups page by clicking on the relevant button on the navigation page.

You will only be able to access pages for the groups that you are a member of. Let us know if you need access to additional groups.
