Facilitators:

Dr Anthony Newcombe, Psychiatrist | **Andrea Guayara**, Training Support Officer for IAR-DST

After completing training, you will receive

- 2 CPD hours - 1 Learning and 1 Review
- Post training support in IAR-DST use
- Certificate of Attendance

Benefits to GPs in using IAR-DST

- Potential facilitation of cross service referral.
- Risk minimisation by using a standardised instrument.
- Allows for incorporation of your clinical skill and judgement.
- Provision of service map availability after training.
- Provides a best practice, holistic assessment linked to a level of care- all in a single instrument.
