

My Health Record in Allied Health

The registration processes

Adelaide PHN invites those working in the Allied Health sector to attend a session on how to register to participate in the My Health Record (MyHR) system, the session will also include a brief overview of the MyHR and the benefits of digital health technologies within the Allied Health setting.

This session will provide practical hands on step by step assistance for the registration process.

A representative from the Digital Health Agency and the Adelaide PHN Digital Health team will be available to assist you through registering your practice or yourself to participate in the MyHR system.

THURSDAY 10TH MAY, 2018
