

26 March 2019

Dear Doctors

**RE: GP Information Sessions – Proof of Concept Opportunity**

Adelaide Primary Health Network (PHN), Country SA Primary Health Network (PHN) and SA Health would like to invite you to attend one of the following information sessions as part of the continued partnership between SA Health and PHNs **to deliver better integrated health care across the primary and acute settings.**

These information sessions are being held to seek General Practice interest in the co-design of proof of concept sites over the 2019 Winter period as an alternative pathway for patients. The intent is to provide and test an alternative community based pathway for people who currently attend hospital emergency departments, but do not require emergency level care and could receive care in a more appropriate primary healthcare facility.

The objective of these discussions is to invite GP practices to express their interest to become a trial site in one of four identified priority areas (below) and to share their initial thoughts and ideas.

The next phase of the process will involve collaborative design of the proof of concept models, in partnership with the PHNs and SA Health.

The four identified priority areas have been selected based on SA Health, data which indicates high levels of emergency department presentations from the following post code areas. These are:

- **Area 1: North**  
5108 - Salisbury, Salisbury North, Salisbury Downs, Paralowie
- **Area 2: Outer North**  
5112 - Elizabeth Grove, Elizabeth South, Elizabeth, Elizabeth East, Elizabeth Vale, Hillbank  
5113 - Davoren Park, Davoren Park South, Elizabeth North, Elizabeth Park, Edinburgh North, Elizabeth Downs, Elizabeth West  
5114 - Blakeview, Craigmore, Andrews Farm, Sampson Flat, One Tree hill, Humbug Scrub, Gould Creek, Uleybury, Smithfield West, Smithfield Plains, Smithfield, Yattalunga
- **Area 3: South**  
5162 - Morphett Vale/Woodcroft  
5163 - Hackham, Hackham West, Huntfield Heights, Onkaparinga Hills
- **Area 4: West**  
5022 - Seaton  
5023 - Grange  
5011 - Woodville  
5014 - Cheltenham

Four information sessions are being held over the week of the 8 April 2019 in each of the four regions;

<b>Session 1</b>	Monday 8 April	<b>Stretton Centre</b> 307 Peachey Road Munno Para <a href="https://gpinformationssession1munnopara.eventbrite.com.au">https://gpinformationssession1munnopara.eventbrite.com.au</a>	6.30pm - 8pm
<b>Session 2</b>	Tuesday 9 April	<b>Woodcroft Community Centre</b> 175 Bains Road Morphett Vale <a href="https://gpinformationssession2morphettvale.eventbrite.com.au">https://gpinformationssession2morphettvale.eventbrite.com.au</a>	6.30pm - 8pm
<b>Session 3</b>	Wednesday 10 April	<b>The Precinct Conference Centre</b> 2 Ann Nelson Drive Thebarton <a href="https://gpinformationssession3thebarton.eventbrite.com.au">https://gpinformationssession3thebarton.eventbrite.com.au</a>	6.30pm - 8pm
