Awards Criteria (align your submission to the following criteria)

Applications must be submitted in the form of a structured impact case study. Submissions should clearly demonstrate the need addressed, the approach taken, and the measurable outcomes achieved, supported by relevant data and evidence. Your submission should address the following:

CRITERIA 1

**What is the matter being addressed and how was this identified?
Your response must be supported by data to demonstrate the situation needing addressing.**

(Response must not exceed 400 words)

CRITERIA 2

How did you approach or address this matter? And how does this approach demonstrate your organisation's commitment to health equity?

(Response must not exceed 1,000 words)

Consider the following aspects-

- i. Leadership Commitment
- ii. Authentic community and partner engagement to address health inequities
- iii. Embedding an equity lens to day-to-day operations
- iv. Building Capacity and Skills
- v. Utilising Quality Data and Evidence to identify inequities, inform practices, and evaluate interventions

<p><u>CRITERIA 3</u></p> <p>How has this initiative meaningfully impacted the lives of people and made a difference in the community in terms of the quintuple aim (patient experience, population health, reducing costs, care team wellbeing and health equity)?</p> <p>Demonstrate impact by responding to the Quintuple aims, supported by appropriate data.</p> <p><i>(Response must not exceed 1,000 words)</i></p>	
<p><u>CRITERIA 4</u></p> <p>What are your next steps towards further strengthening this initiative (e.g., sustaining or scaling) such that it reaches the people most in need?</p> <p><i>(Response must not exceed 400 words)</i></p>
