

HEALTH AND AGED CARE INTERFACE SYMPOSIUM #5

You are invited to the upcoming Health and Aged Care Symposium to support health and aged care health professionals working in South Australia with assisting older people, their families, and carers to navigate and access aged care.

The session aims to increase awareness of available services and supports in South Australia to assist those working in health and aged care sectors to provide guidance for older people, their families and carers with wayfinding within the Aged Care sector.

Tuesday 9th December 2025

[Free Virtual Event](#)

10:30am – 12:30pm ACDT

Speakers experienced in aged care and health navigation will share information on available services and supports to help older people get started, access the system, and receive ongoing assistance along the way. The session will also highlight key local initiatives and roles that provide practical guidance throughout the aged care journey.

Topics to be presented:

- Aged Care Specialist Officers (Services Australia)
- Care Finder (COTA)
- Elder Care Support Program (SAWCAN and AHCSA)
- Single Assessment for Aged Care (DoHDA)
- First Nations Assessment in SA (DHDA)
- Registered Supporter Role – (Legal Services Commission SA)

Hosted by the Australian Department of Health, Disability and Ageing, Adelaide PHN, and Country SA PHN, this free virtual session is open to all stakeholders working across the health and aged care sectors in South Australia.
