

Adelaide PHN's

Alcohol and Other Drug Treatment Services

phn
ADELAIDE

An Australian Government Initiative

Adelaide PHN commissions a wide range of alcohol and other drug (AOD) treatment services and activities across Adelaide.

Services and programs support individuals and families affected by AOD use, LGBTQIA+ people, Aboriginal people, young people, and those who have been, or are at risk of being, in contact with the South Australian criminal justice system. Services are provided free of charge to the community.

The complete list of our commissioned service providers is available via our directory of services page – visit adelaidephn.com.au/directory.

Referrals:

- Self-referrals
- Family members
- Health care services (general practice, mental health services) / health professionals
- Community services
